# Where To Find Estate Planning Information

### Estate Planning Services

This company provides a number of fee-based services to help you plan your estate, including off-shore entities, family foundations, charitable trusts, living trusts, family limited partnerships, and Tax-free Nevada incorporation, to name but a few. Nevada is known as the tax-free state because it has no business tax, no personal income tax, no corporate tax, and no estate tax. Estate Planning Services specializes in establishing tax-free Nevada corporations to shield your assets from lawsuits and inheritance taxes.

### The MONY Group

"How can we help you define and achieve financial security?" With 155 years of experience, the Mutual Life Insurance Company of New York has the expertise, resources, and tools to help you with financial planning. Whether you're interested in mutual funds, annuities, or insurance, The MONY Group can help you plan your financial future—retirement and estate planning included. See this site for a comprehensive look at estate planning and why you shouldn't put it off for another day.

### National Association of Financial And Estate Planning

This Web site provides useful, comprehensive, and free information about financial and estate planning. Whether you're wondering how to protect your assets from possible lawsuits and judgments, leave your heirs as little tax liability as possible, or get by with as little capital gains taxes as possible, you'll find it all here. Find out about establishing your own charitable foundation, and how this can affect your estate planning in the long run.
